Legal

Our legal service provides advice on most legal issues to older people in NSW. Further, we offer a comprehensive referral service. We may also provide limited legal assistance for financially and socially disadvantaged older people.

Advice includes:

- Consumer rights
- Human rights/Elder abuse
- Financial exploitation
- Planning for later life

Our **Retirement Village** legal service provides advice to residents of retirement villages (including former and prospective residents) on issues arising from disputes with the retirement village management or interpretation of a contract.

The **Strata** legal service advises on any aspect of strata living. We give advice on disputes with the Strata Committee, Owners Corporation or Strata Managing Agent. We advise on disputes about strata collective sales or redevelopment proposals.

Seniors Rights Service is a fully accredited Community Legal Centre.

Advocacy

Our advocacy service provides advocacy for recipients of all Commonwealth funded aged care services.

Advocates

- Provide information about rights and responsibilities
- Listen to your concerns
- Help resolve problems or complaints with your aged care service providers
- Speak with your service provider if required
- Refer to other agencies where necessary

Our advocacy work raises consumer issues on behalf of vulnerable older people to government, the aged care system and the community.

Education

We provide targeted rights-based education to a diverse range of older people regardless of cultural background or sexual orientation. Sessions are provided on a range of topics relevant for the requesting organisation including:

- The rights of older people
- How to plan ahead
- Retirement village living
- Issues in aged and community care
- How people can access our services

We collaborate with organisations and community groups to develop forums and projects on specific issues such as financial elder abuse.
